Call for Participation: Special Poster Session

Anyone attending the workshop is invited to bring a poster or handouts, or to give a short presentation on any aspect of music to share during this session. This session is ideal for special topic items such as interesting macro-analysis applications, unique assignments and projects for students, innovative teaching techniques, or student presentations.

Length of Sessions

Presentations for the poster session are usually ten to fifteen minutes in length.

Proposal Abstract

Please submit a short abstract (250-300 words) describing the poster content and format. Submit online abstracts to Jamie Henke, MACRO Chair at <jhenke@dcs.wisc.edu>

Evaluation

Submissions will be evaluated based on the description and presentation of the session in the abstract. While we welcome topics on all aspects of music at the poster session, we encourage those proposals with a discernable link between the poster topic and macro analysis. Session topics that involve any active participation of the workshop audience are also encouraged.

Submission Deadline

We will consider poster session submissions until June 1, 2005. Participants who also want to apply for our travel funds should submit poster proposals by May 1, 2005.
