Call for Participation: *Special Poster Session*

Anyone attending the workshop is invited to bring a poster or handouts, or to give a short presentation on any aspect of music to share during this session. This session is ideal for special topic items such as interesting macro analysis applications, unique assignments and projects for students, innovative teaching techniques, or student presentations. Poster session presentations are usually fifteen to twenty minutes in length. Please submit a short abstract (150–250 words) describing the poster content and format. Submit online abstracts to Jamie Henke, MACRO Chair at <jhenke@dcs.wisc.edu>. We will consider poster session submissions until June 1, 2009. Participants who also want to apply for our travel funds should submit poster proposals by May 1, 2009.

Call for Participation: *Standard Presentation Sessions*

If you are interested in presenting a standard session at the workshop, please submit a short abstract (150–250 words) describing the session content and format. Submit online abstracts to Jamie Henke, MACRO Chair at <jhenke@dcs.wisc.edu>. Standard session presentations can be either 30 or 60 minutes in length. We will consider standard session submissions until April 1, 2009.

Evaluation of All Submissions

Submissions will be evaluated based on the description and presentation of the session in the abstract. While we welcome topics on all aspects of music, we encourage those proposals with a discernable link between the topic and macro analysis. Session topics that involve any active participation of the workshop audience are also encouraged.

Abstract Submission Deadlines

April 1, 2009 Panel Presentations and Standard Sessions
June 1, 2009 Poster Sessions (If interested in Travel Funds, submissions should be in by May 1, 2009.)
